Points to remember in lecture

Human personality influences and impacts the functioning of an individual and organizations. The fact that humans are social is determined by individual as well as collective contexts. Understanding one's own personality and nurturing it well enables one to be a fine human being and an effective professional. Humans need to learn how to cope with the problems and face the hardships while shaping out careers to become professionals and contributing citizens. University education is to enable young adults to understand the world in the liberal sense and to take forward it for the better. personality and to shape themselves in achieving their pursuits. The workshop adopted the processes demonstration-cum-discussion

Miss. Soma Singhroy addressing the students during guest lecture

Miss. Tejal Khalkar proposed vote of thanks.
