SSK College of D.Pharmacy has organized online guest lecture on Subject "**Introduction to Pharmaceutical Industry and Opportunities in Pharmaceutical Industry** " which was delivered by Mr. Rajendra Mahendra Varpe on **17/10/2023** for first year of diploma student. Mr. Rajendra Mahendra Varpe educates and guided the student about introduction of good opportunities for the students to start with and how to improve yourself to stay in competition. He also had given some motivational tips.

He explained the career graph in the field of sales, the various positions of sales in the industry. He mentioned that India has a vast pool of trained pharmaceutical scientists, doctors and researchers for joint collaborative research for new drug discoveries. Also, the pharmacy sector in India has low cost of production and low research and development cost. Innovative scientific manpower and strength of national laboratories offer tremendous opportunities.

Expert explained how the pharmaceutical industry plays a pivotal role in global healthcare, and it is crucial to stay informed about its evolving dynamics. The Expert Symposium aimed to provide a platform for thought leaders to share their knowledge and discuss the challenges and opportunities within the sector. Mr. Rajendra Varpe shared his experiences with the students which gave them an insight of the pharmaceutical industry.

He suggested the areas in all over India were there are reputed Pharmaceutical Industries, these companies can be a good opportunities for the students to start with. Many queries of the students related to jobs in Pharma Industries were solved. The lecture was very interesting and informative to the students. All the staff members along with the students were present for the lecture. Prof Tejal Khalkar , introduced the speakers and Prof. Pankaj Gunjal gave vote of thanks. The overall session was very good
